

Watch Me Fly

English Translation

Swahili:

Nitasimama leo

English:

I will stand up today

Najua ndiyo hivyo

Najua napenda

I know this is it

I know I like it

Kulia watu wetu

Kulia we pia

Our people to cry

You to cry also

Kimbia jaribu

Najua leo shindana

tutakalo wania

Try, run

I know today the competition

Which we will fight for

Kimbia, jaribu

Ni machozi ya furaha shindana

tutakalo wania

Try, run

It is tears of joy the competition

Which we will fight for

Leo ni ajabu

Leo ni kuimba

It is wonderful today

It is singing today

Kama nitaota ni wache

Ota palipopote

If I am dreaming let me be

Dream anywhere
